### USE ANYTIME, ANYWHERE

While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors, people, pets, food, and accidents often cause malodors which become airborne and stagnate or permeate environmental surfaces, making the air unpleasant. Airlift RTU Handi Sprays are ideal for any indoor area that requires air freshening. Airlift RTU Handi Sprays eliminate odors in the air while leaving behind a fresh, pleasant scent.

Airlift RTU Handi Sprays are perfect for:

- Hotel rooms
- Assisted living facilities
- Office buildings
- Childcare facilities
- Fire-damaged or smoke-damaged rooms
- ...Anywhere foul odors occur

### FAST AND EFFECTIVE:

Airlift RTU Handi Sprays are formulated to eliminate odors caused by stale air, mildew, urine, vomit, etc. The light, yet long-lasting, fragrance of Airlift RTU Handi Sprays capture objectionable odors leaving air smelling fresh and clean. Treated areas remain fresh for extended periods of time.

### FEATURES:

- Convenient – ready to use in handy quart size spray
- Trigger sprayers included in every case

### HANDLING AND STORAGE:

Non-flammable. Airlift RTU Handi Sprays do not require special handling or storage. The product will not irritate skin or nasal passages. Formulated with environmental needs in mind.

**Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting [www.spartanchemical.com](http://www.spartanchemical.com).**

### DIRECTIONS FOR USE:

Some individuals may be sensitive to ingredients in this product. Before use, read product label and MSD or SD sheet.

#### Airlift RTU Handi Sprays:

1. Stand in center of room.
2. Point spray nozzle up toward ceiling corner.
3. Turn and spray in all directions.

**NOTE:** For heavy build up of odors, such as smoker's rooms in hotels, daily use will help to neutralize malodors and freshen draperies, bedspreads and carpets.

#### For Smoke Neutralization:

1. Remove gross source of malodors such as used ashtrays.
2. Apply with sprayer. Use finest mist.
3. Lightly mist upper portions of room near ceiling.

#### For Fire-Damaged Areas:

1. Apply with sprayer. Use finest mist.
2. Apply directly to damaged or burnt surfaces whenever possible.
3. Lightly mist upper portions of room near ceiling.

#### For Fabrics:

Spray a light mist on drapes, carpet, fabrics and upholstered furniture to eliminate odors and refreshen fabrics. Always test in an inconspicuous area for colorfastness.
