

SCRUBS® Stainless Steel Cleaner Towel

SCRUBS® Stainless Steel Cleaner Towels clean, polish, brighten and protect all in one step. This powerful formula prevents water marks and corrosion and preserves the high luster of stainless steel. They are ideal for industrial equipment, bathrooms, drinking fountains, elevators, kitchens and more! Leaves a thin film for lasting protection.

- Convenient one-step solution
- Surface can be polished with clean, dry cloth for higher gloss
- NSF® Registered*

REMOVES: Spot marks, film, fingerprints, water marks, grease

USE ON: Stainless steel, aluminum, chrome, copper, brass

*NSF® - Nonfood Compounds Program Listed C1, #136478
