Clothesline Fresh™ RUST AND IRON REMOVER [S3]

# Clothesline Fresh Rust and Iron Remover [S3]

### PRODUCT DESCRIPTION:

Clothesline Fresh Rust and Iron Remover removes rust and iron stains from fabrics. Use Clothesline Fresh Rust and Iron Remover as a pre-spotter or spotter.

Use Clothesline Fresh Rust and Iron Remover to remove these spots:

- rust
- iron
- dry blood

### NON-DAMAGING:

Clothesline Fresh Rust and Iron Remover was tested by an independent, ASTM certified, third party laboratory to ensure that it is safe for use on fabrics and will not prematurely wear fabrics. This testing shows that there is no loss in tensile strength between samples soaked in Clothesline Fresh Rust and Iron Remover when compared to the control sample. Soak times tested ranged from 15 min., 60 min., to 4 hours.

### DIRECTIONS FOR USE:

#### DO NOT MIX WITH OTHER CHEMICALS.

Some individuals may be sensitive to ingredients in this product. Before use, read product label and MSD sheet.

Always test fabric for color fastness and compatibility in an inconspicuous area.

Before using a specific spotter, attempt to identify the stain, to ensure efficient stain removal.

Always wash and rinse fabric thoroughly after spot treatment.

Apply directly to fabric. DO NOT SPRAY.

#### To Spot Fabric:

Saturate a clean, white towel with Clothesline Fresh Rust and Iron Remover.

Rub stain vigorously with the wet towel.

Blot fabric with a separate clean, dry towel.

Repeat steps as necessary to achieve desired results.

#### As a Pre-Spotter:

Apply Clothesline Fresh Rust and Iron Remover liberally onto suspected stains.

Allow to remain on stained fabric for at least 10 minutes before initial laundering.

For hard to remove rust stains, allow fabric to soak in Clothesline Fresh Rust and Iron Remover for 30 minutes to 1 hour before initial laundering.
